

BE12 PRO

DESCRIPTION

Versatile industrial degreaser for removing grease, smog, soot and more. Suitable for heavy and stubborn dirt in warehouses, industrial facilities, air coolers, ventilation systems, photovoltaic panels, etc. Does not attack paints or metals.

PROPERTIES

- Completely eliminates road film and any greasy deposits without leaving traces
- Powerful cleaner even on very dirty surfaces, greases, oils, diesel, ...
- Economical because highly effective and dilutable in water
- Non-flammable product
- Suitable for car wash tunnels, washing machines, and manual cleaning
- NATO certified for military applications.

APPLICATION AREAS

- Perfectly cleans and degreases painted surfaces and plastic tarps of vehicles (light and heavy vehicles)
- BE12 PRO is multifunctional for any type of cleaning: floors, coatings and surfaces made of synthetic materials, coverings, mechanical parts in workshops, machine exteriors, conveyors.

APPLICATION

Used cold, diluted according to the following percentages:

- Car wash tunnels, floor cleaning: 0.5 to 1%
- High-pressure spray rinsing, foam generators: 5 to 20% (for very dirty surfaces), 1 to 8% (fragile materials: aluminum, glass, paint, car bodies) - it is important not to leave the product on surfaces for too long to avoid making them matte
- Floor, manual cleaning: 2 to 8% maximum

Rinse thoroughly, particularly in case of high concentration.

TECHNICAL SPECIFICATIONS

Color	Light blue
Density (ASTM D4052)	1.08
pH-value in 5% solution	12.5

PACKAGING

Code	226
Format	20 Kg canister
Pallet	24 pieces

Code	227
Format	200 Kg drum
Pallet	2 drums
