

# ZERO T

Odor destroyer for fabrics

## DESCRIPTION

Powerful fabric deodorizer and sanitizing spray. Eliminates odours in a maximum of 5 minutes, leaving a spicy-powdery fragrance. The ultra-fine mist system allows for extra-fine distribution without wetting the surface.

## PROPERTIES

- ZERO captures and destroys smelly molecules on fabrics and releases a fresh and lasting fragrance.
- Fragrance of spiced talc.
- With few sprays and just in 5 minutes it works on the bad smells of kitchens, tobacco, sanitation, sweat, milk, animal vomit, humidity, mustysmell, etc.
- The patented micronization allows an extra-fine and uniform distribution on the entire treated surface. Does not stain and leaves no halos.
- Compatible with: clothes, seats, curtains, rugs, carpets, mattresses, sofa, bedcovers, pillows, bags, sport shoes, etc. Do not use on silk, leather and suede.
